## EXTENDING THE USE OF SUTTON INCLUSION CENTRE EASY READ CONSULTATION DOCUMENT

take part, take pride

## 1. Introduction

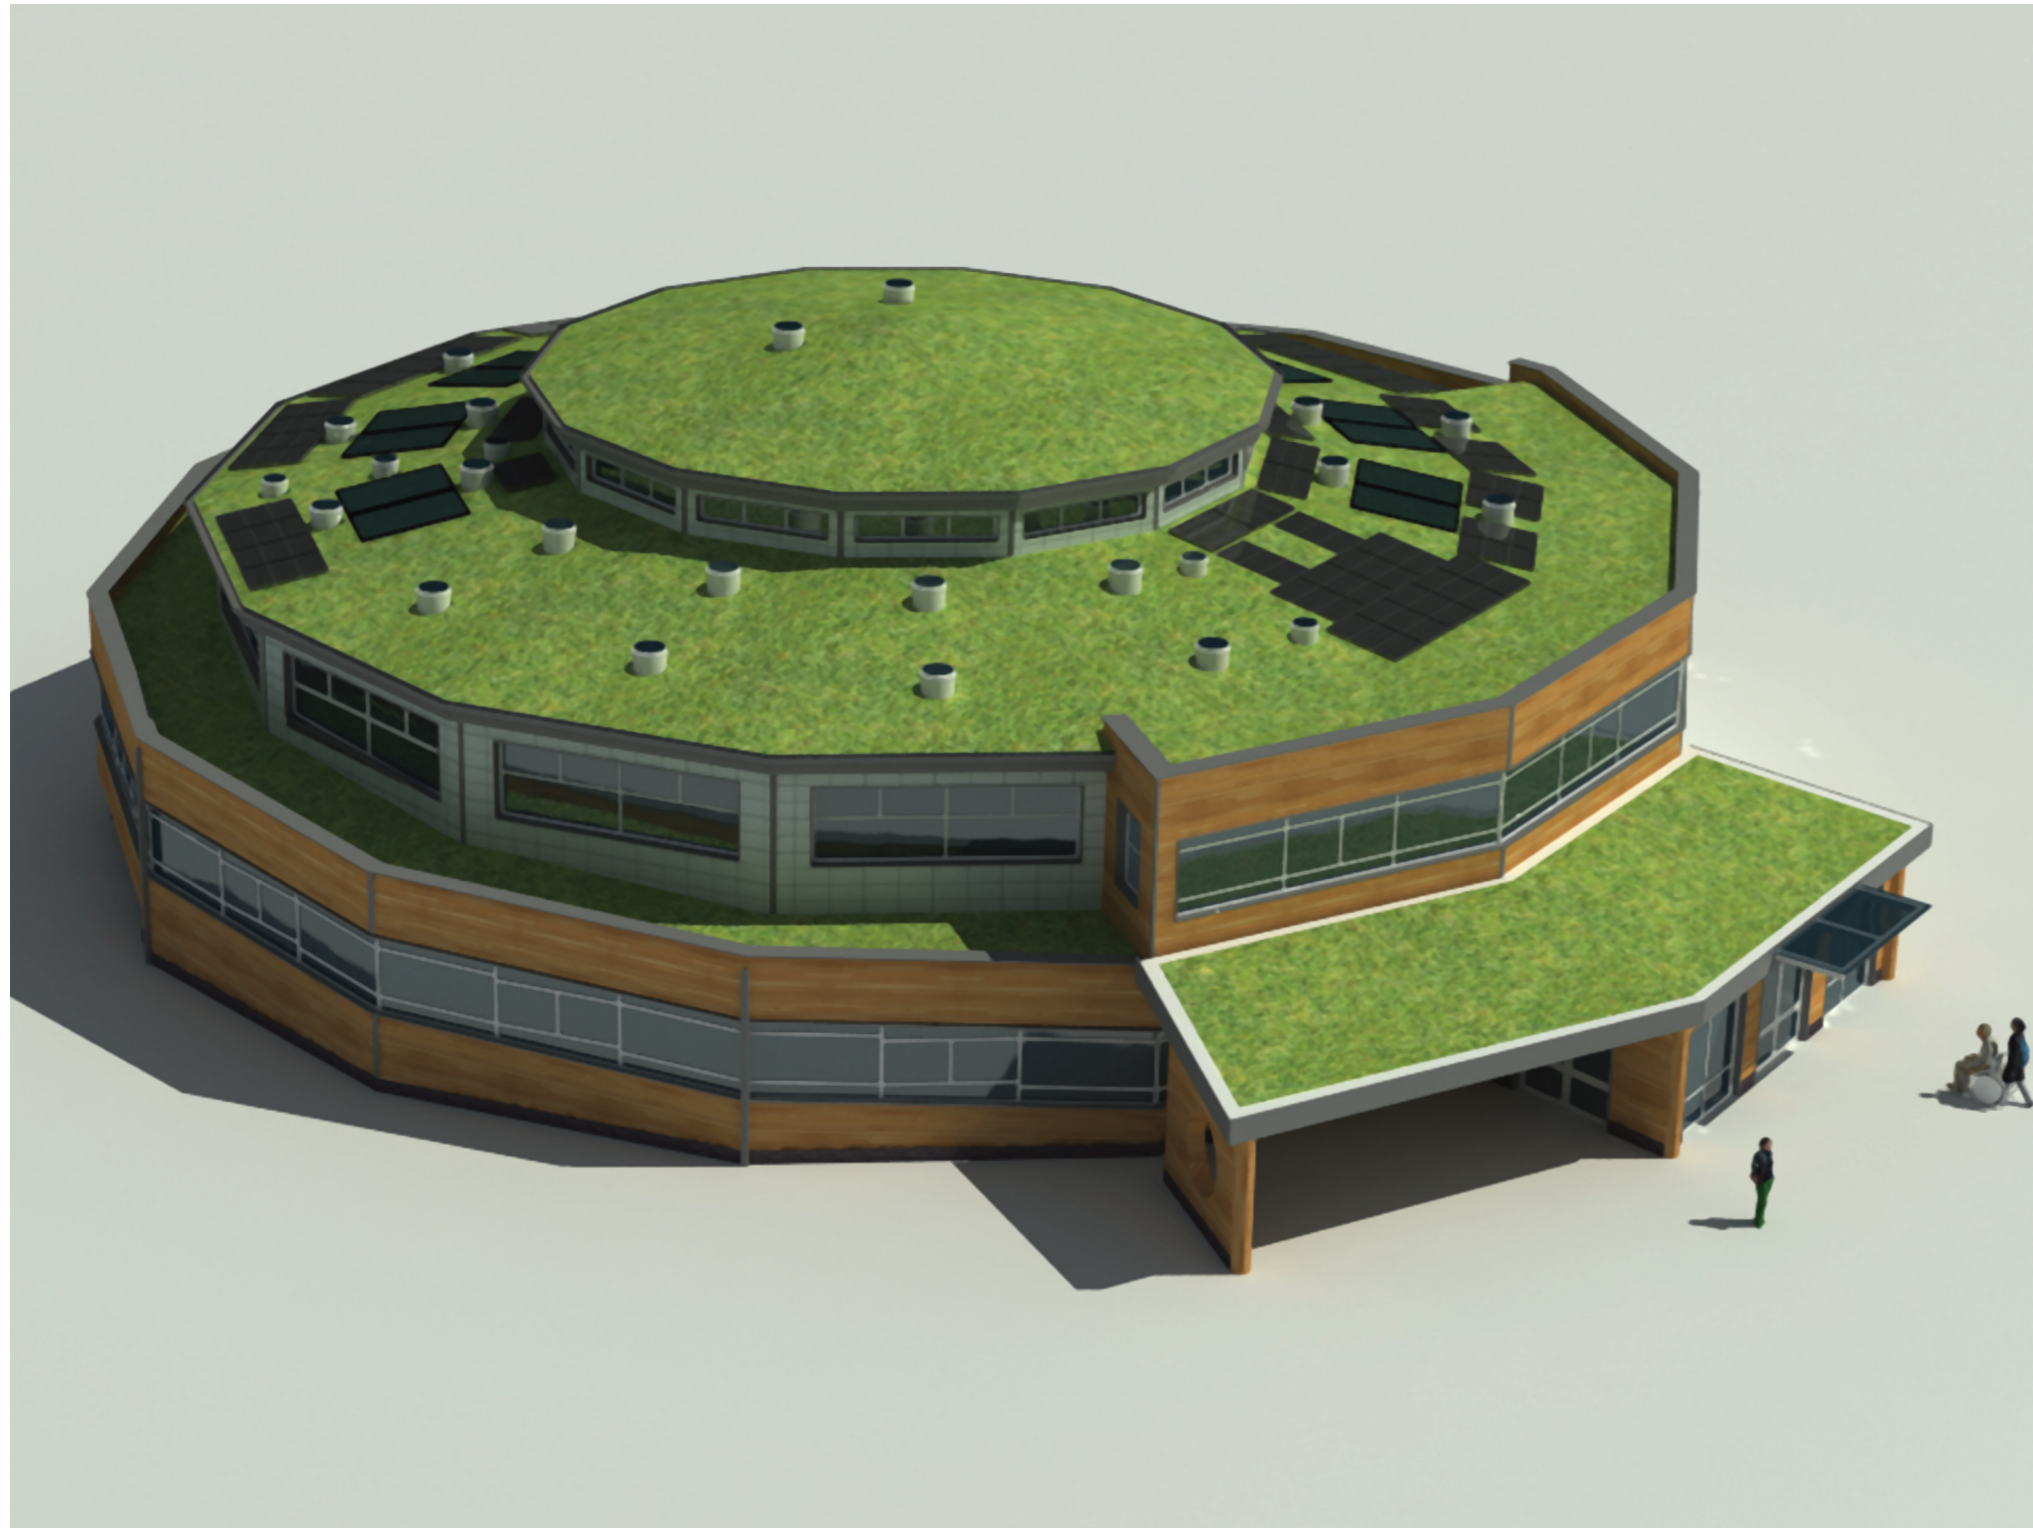

The Council wants to talk to people about Sutton Inclusion Centre.

The Inclusion Centre is only used by people with learning disabilities.

We want to talk to you about our ideas to allow more people with disabilities to use the Centre.

We want Sutton Inclusion Centre to become:

A resource centre and community hub for adults and young people in Sutton who have disabilities or complex needs.

## 2. What is on offer at the Centre?

Lots of things are available for people with disabilities at Sutton Inclusion Centre such as:

- Sensory Rooms
- Aqua Therapy
- Physiotherapy Rooms
- IT Equipment
- Art Rooms and other activity rooms

## 3. Charges for the use of Rooms and Equipment

To enable more people with disabilities to use the Centre people would need to pay. Organisations could hire rooms to provide services to people with disabilities.

The list of costs for the use of rooms and equipment is at the back of this document.

## 4. How will the people who use the centre now be affected?

1. The people using the Centre now will be still be able to use the Centre in the future
2. The people using the Centre now will be protected from charges so that these proposals do not affect them.

## 5. Consultation

We want to talk to people about the things in this document between

18th November 2013  
to 13th January 2014
