Woodcote Green Area Traffic Management and Junction Improvement Informal Public Consultation Questionnaire

When completed, please fold this questionnaire as per instructions on the back page and FREEPOST it to Highways, Transport and Smarter Travel by no later than Friday 19 July 2013. This document can be found online at www.sutton.gov.uk (go to 'Get Involved' then select 'Consultations Home Page'). Alternatively go to www.opinionsuite/sutton

We would like your views on the proposed two options to improve traffic safety in the Woodcote Green Area.

<u>Option 1</u>	<u>Option 2</u>
<ul style="list-style-type: none">• Woodcote Green one-way (west to east) with an advisory contraflow cycle lane• Woodcote Green junction entry treatment• Woodmansterne Lane junction entry treatment• Speed cushions• Carriageway and junction realignment• Accessibility improvements• New section of shared footway / cycleway• New signs and road marking	<ul style="list-style-type: none">• Woodcote Green one-way (west to east) with an advisory contraflow cycle lane• Woodcote Green junction entry treatment• Horizontal deflection traffic islands• Virtual traffic calming (painted speed tables)• Carriageway and junction realignment• Accessibility improvements• New section of shared footway / cycleway• New signs and road marking

Please express your preference by placing a (√) in the relevant box.

I prefer Option 1 I prefer Option 2 I do not like either

If you selected '*I do not like either*' above, could you please provide comments in the box below as to why, and any alternative suggestions that you may have to address traffic safety concerns in the Woodcote Green Area e.g. traffic signals?
