ROAD TRAFFIC REGULATION ACT 1984

1. **NOTICE IS HEREBY GIVEN** that the Council of the London Borough of Sutton propose to make the following Order under section 6 of the Road Traffic Regulation Act 1984, as amended: **The Sutton (Traffic Restriction) (Pedestrian and Cycle Zones) (No. *) Traffic Order 2021**
2. The principal objective of the Order is to improve the safety of children going to and from school by reducing the volume of traffic using roads outside schools. The scheme promotes active and sustainable travel and produces a safer and calmer environment for the benefit of all residents and school visitors.
3. The general effect of the Order would be to introduce a new 'pedestrian and cycle zone' in the vicinity of each of the schools listed in column (1) of the Schedule to this Notice, comprising the streets or parts of streets listed in column (2) of that Schedule. The pedestrian and cycle zones would operate at the times listed in column (3) of the Schedule to this Notice.
4. All motor vehicles except permit holders would be prohibited from entering the pedestrian and cycle zones during their hours of operation. Permits allowing vehicles to enter a pedestrian and cycle zone would be available to residents and those caring for residents, of premises located within or only accessible from the pedestrian and cycle zones, by application to the Council. Households would be limited to having three such permits at any one time, excluding those for use by carers. Further exemptions would apply to vehicles of those dropping off or picking up students with special educational needs or who are disabled (the details of such vehicles being registered with the school) and to emergency service vehicles, school buses and certain other service and utility vehicles. Any vehicle that is already within the pedestrian and cycle zone prior to its commencement of operation would be permitted to leave.

EXPLANATORY NOTE

(This Note is not part of the Order)

This Order prohibits motor vehicles from entering pedestrian and cycle zones outside various schools within the London Borough of Sutton.

STATEMENT OF REASONS

The London Borough of Sutton is introducing School Street Schemes to improve the safety of children going to and from school by reducing the volume of traffic using roads outside schools. The scheme promotes active and sustainable travel and produces a safer and calmer environment for the benefit of all residents and school visitors. A School Street Scheme is where a road with a school is restricted to become a pedestrian and cycle only zone during the school's opening and closing times. By restricting traffic in the roads outside schools, this will help to reduce congestion and pollution at the school gates as well as make it easier and safer for children to get to and from school actively.
